

TRUEFITT & HILL

EST. 1805 • ST. JAMES'S • LONDON

FACIAL MENU

Experience an intense moment of relaxation and nourishment with our specialised mask treatments, formulated by the pioneering brand that originated the “mask par excellence”. These peel-off masks offer the right amount of active ingredients to achieve the desired results. The face is cleansed, moisturised and wrapped in a hot towel before your mask of choice is applied, followed by an optional shave.

REVITALISING & FIRMING MASK

A combination of 24-karat gold dust, minerals and seaweed extract that tightens the skin while imparting intense nutrition and moisture. Improves skin vitality and tone.

With Shave: RM423 | Without Shave: RM347

ANTIOXIDANT & STRENGTHENING MASK

Goji berry extract and quinoa seeds nourish the skin by providing a balanced mixture of amino acids and B vitamins. Strengthens skin's natural protective barrier and restores healthy skin condition.

With Shave: RM347 | Without Shave: RM270
